

SUES ARMY CAPTAIN FOR \$300 ALIMONY

Waldo Cited to Show Cause Why
He Should Not Be Attached
for Contempt.

WHITE PLAINS, Oct. 4.—An order of Supreme Court Justice Platt was filed with County Clerk Elford to-day directing Richard W. Waldo, army captain, to show cause on Oct. 12 why an attachment should not be issued against him for contempt of court for alleged failure to pay his wife alimony. Mrs. Alice T. Waldo of Manhattan was granted a divorce against the defendant on Sept. 8, 1916, she says. At the trial before the referee Mr. Waldo stipulated to pay his wife \$200 a month for her support and that of their son, Thayer Everett Waldo.

Mr. Waldo, according to the papers on file, was the business manager of Stars and Stripes. While in France Mrs. Waldo says she agreed to accept \$100 a month, because he told her he couldn't afford to pay any more. Since the war ended Mrs. Waldo says her husband has been delinquent in his payments and claims that he owes her now \$400 in back alimony.

BOY SCOUTS START HIKE TO 'FRISCO

Will Work Their Way to Pacific
Coast by Working on
Farms.

Milton Weinstein, 761 West 177th Street, and Seymour Grauer, 690 West 149th Street, Scoutmasters of the Boy Scouts, left City Hall at 8:30 this morning on a hike to the Pacific Coast. They are members of Troop No. 320, which is connected with the Educational Alliance. They carried a letter of greeting from Mayor Hylan to the Mayor of San Francisco.

"We will have to earn our bread by the sweat of our brows for all we have is \$20 each," said Weinstein. "Most of our labor will be on farms and plantations. About four and a half months will be required for the westward journey."

On the knapsacks of the Scouts was the inscription, "New York to Triaco or Bust."

Cream Cheese versus "Philadelphia"

Don't be persuaded to believe that
all cream cheese is the same. Just
because there are many brands that
all look the same doesn't mean that
they all taste the same.

There is only one "Philadelphia"
—made from pasteurized whole milk
with cream added—rich in butter
fat and body-building proteins—
easy, appetizing, nourishing as
homemade. Made fresh every day
and always the same.

Check up on your cream cheese.
